RE: Motion to Intervene in the Application by Pine Water Company (PWCo) for approval to (1) Encumber a part of its plant and system pursuant to A.R.S. #40-285 (A); and (2) issue evidence of indebtedness pursuant to A.R.S. # 40-285 (A), related to a joint well development agreement between PWCo and the Pine-Strawberry Water Improvement District, Docket No. W-03512A-07-0362, and (3) Borrow from PSWID the sum of \$300,000.00 for costs related to drilling a deep well at the K-2 site, and that PWC's assets would be encumbered in a like amount through the granting of a security interest to PSWID.

DOCKET No. W-03512A-07-0362

My name, address and phone number are listed below.

I wish to Intervene in the application for the various actions submitted by Pine Water Company. I am a residential customer of the utility and therefore am concerned about the fact that the \$300,000 involved is referred to and certainly looks like a loan. As such it violates the Arizona Constitution, Article # 9, and Section # 10. I wish to speak concerning this issue.

I hereby certify that a copy of this notice of Intervention has been mailed to:
